## ABOUT ME

# COLEMILLER

Hey! My name is Cole Miller. I'm a senior portrait photographer, now based in Fayetteville, Arkansas; although my heart still resides in Overland Park, Kansas. I grew up in KC and graduated from Blue Valley Northwest High School. I now attend the University of Arkansas as a Graphic Design major.

I started senior portrait photography my Junior year of high school. My favorite part about photography is getting to know new people and capturing their personalities through images.

I couldn't do this without my clients and supporters and I appreciate each and every person that supports my small business. I can't wait to meet you!

# FAQ

## HOW DO I PAY FOR MY SESSION?

As soon as we decide on a date and package, you will be sent a contract through email. When you view your contract it will show you a breakdown of costs and policies. After signing, you can pay your 50% deposit through Venmo or Cash App (if you don't have either we can look to use a different method).

## CAN I BRING SOMEONE TO MY SESSION?

Yes! Being in front of the camera can be awkward so I always encourage people to bring someone with them for moral support, if they want! I'm more than willing to snap a couple of pictures of you guys together as well.

## WHEN WILL I GET THE PHOTOS?

One of the most time-consuming things a photographer is tasked with is editing. I promise to get your images back to you within 1-3 weeks and often deliver sooner than promised!

## IS CHAMPAGNE SUPPLIED?

Champagne is not supplied for the photoshoot BUT feel free to bring however much you'd like!

## WHAT IF I NEED TO RESCHEDULE/CANCEL?

You can reschedule your shoot if a 1 week notice is given and I have availability. I always leave days open on my calendar in case we need to reschedule for weather. In case of cancellation, your deposit is not refundable. Any additional payments made will be refundable if the client gives me 1 week of notice.

Please feel free to reach out to me with any questions you may have!  
I'm excited to work with you!
